

Sunday Aug 2

Dear Jimmy,

Mary and Mike were over today and we played bridge and then had dinner around 4 o'clock and then played bridge again. They just left a few minutes ago. Saturday night we went to a party at Donnelly's which was fun. Next week-end we will probably go up to the cabin.

Mr. Goodson and Gregg are over at their home working on the yard. Mr. Goodson quit his job at the telephone Co.

After working there for 23 yrs. He and Ruth are managing an apt. building in Calif. Gregg is there also. Billy broke out in a rash just before

being sent to Vietnam. He  
doesn't take the pills the  
doctor has been giving  
him so therefore he is  
being discharged in about  
a month. I hope he is  
saving the pills so he can  
take them when he gets out.

Jeannie and Art bought a  
house in Bellevue. It is out  
on the Bellevue-Redmond road  
on 163rd. Jeannie is so ex-  
cited she can hardly stand  
it.

Mikey will be through with  
all his treatments this week  
and he is expected to be pretty  
much well but I don't really  
know exactly to what extent.

I hope you are getting  
along fine. Dad is feeling  
good.

I got the record player fixed. It cost 32 dollars but it was worth it.

Love,

Mom.
